Certificate of Limited Warranty -60 Day Mechanical Warranty- -30 Day Electrical Warranty-

1. All engines are warranted against excessive oil consumption, cracked block or cylinder head and bad camshaft or crankshaft. All engines MUST have new oil and filter installed upon installation and every 3000 miles thereafter. Proof of service and mileage required. All engines are left as complete as possible for the convenience of the installer. J & D Auto Recycling Inc. does not guarantee any wiring or accessories to be the same as customers application, nor does the warranty cover such items. Oil leaks are not covered.
2. All transmissions, transfer cases, axle assemblies and differentials are warranted to be in good working order. This includes slippage, bearing noise and shifting issues. Due to the complexity of modern transmissions ALL manufacturers' procedures MUST be followed including re-programming of any or all electrical components. Torque converter MUST be seated properly- failure to do so will void warranty. Oil leaks are not covered. New oil and filter MUST be installed at time of installation and transmission cooler must be flushed- documentation required!
3. All warranty claims must be presented to and approved by an authorized J&D Auto Recycling Inc. representative within the Warranty period for the warranty to be valid.
4. Absolutely no labor or extra parts paid on any warranty claims.
5. This warranty is nontransferable and does not cover damage if parts are used in a non-OEM or modified application.
6. J & D Auto Recycling Inc. assumes no responsibility for towing, lodging, down time, transportation or car/truck rental expenses.
